Dear Colleague,

We take the pleasure of inviting you at the First National CME of Indian Association for Child & Adolescent Mental Health 2020, with the theme “Young minds and Addictions”, which is being organised in a small picturesque state in the north eastern corner of our country - Manipur.

Over and above the rich scientific contents, you will also enjoy the pleasant weather and hospitality of the local people of Manipur.

Please block the dates and we invite you to bring your loved ones too.
